

RIIPEN TIMELINE FOR EDUCATORS

Riipen

When is the best time to use Riipen?

This graphic highlights key actions to take each month. Dates aside, we always recommend posting your courses as early as possible.

SEPTEMBER

- Fall Courses have begun! Get your students set up on Riipen
- Start posting your Winter Courses.

OCTOBER

- Prime time to post Winter Courses. Give yourself a long runway to allow time to find suitable companies.

NOVEMBER

- Still time to post Winter Courses.
- Prime time to find companies in the Riipen marketplace.

DECEMBER

- Last minute Winter Courses are still welcome, but runway will be short.

JANUARY

- Winter Courses have begun! Get your students set up on Riipen.
- Prime time to post early Spring Courses (March-Apr-May starts).

FEBRUARY

- Start posting Summer Courses.
- Still time to post early Spring Courses.

MARCH

- Prime time to post your Summer Courses (May-June-July starts).

APRIL

- Still time to post Summer Courses.
- Prime time to find companies in the Riipen marketplace.

MAY

- Late Spring/early Summer courses have begun! Get your students set up on Riipen.
- Still time to post mid-late Summer Courses, and time to start posting Fall Courses.

JUNE

- Prime time to post Fall Courses.
- Prime time to find companies for Fall.

JULY

- Still time to post Fall Courses.
- Prime time to find companies for Fall.

AUGUST

- Crunch time to find companies for Fall Courses.
- Time to post last-minute Fall Courses.
